Our mission is to promote musical appreciation, knowledge, and participation through the study and performance of quality instrumental repertoire. The performance-based classes and ensembles in our Department feature unique content that offers unparalleled aesthetic experiences, rigorous performance demands, and are worthy of academic study. Participation in these courses and ensembles is the best and most direct way to experience the art of music making, one that will assist students in developing a greater understanding of themselves and humanity. The Band Faculty and Staff of West Aurora High School welcomes you to our family!

WEST AURORA BLACKHAWK MARCHING BAND

As a member of this organization, it is your responsibility to carry on the proud tradition of excellence that has been handed down by former members for generations. It is up to you to maintain a positive atmosphere grounded in productivity, cooperation and spirit!

The Blackhawk Marching Band, a vital ensemble within the Department of Visual and Performing Arts and Department of Bands, offers an exciting opportunity for qualified instrumentalists and colorguard specialists. The music, drills, and routines for our halftime shows are designed for the **highest possible entertainment value**. As a non-competitive high school band, we play a vital public relations role in the West Aurora community and our mission is to entertain, support and educate. In addition to football games, the Blackhawk Band will perform for occasional pep rallies, parades, concerts, and other special engagements.

This handbook is designed for each member of the Blackhawk Marching Band. As a member, *it is your responsibility to know all of the policies and procedures contained in this manual*. **You are an indispensable member of an outstanding organization**. Everything you do in rehearsal and performance has a direct impact on the success of this organization. With membership comes the expectation that you will make a COMMITMENT TO EXCELLENCE! Welcome to our family – Your 2022-2023 Blackhawk Marching Band!

“A Tradition of Excellence is never inherited; it is earned!”

II. AN OVERVIEW OF THE WEST AURORA BANDS

West Aurora High School enrolls over 3,700 students and is part of School District 129, one that serves students from Aurora, the Village of North Aurora, Montgomery, and Sugar Grove Township. The district employs eleven full-time instrumental music educators who serve ten elementary schools, four middle schools, and one high school in an effort to ensure consistent instruction and a smooth progression from 6th through the 12th grade. The West Aurora High School Department of Bands has a long and distinguished history of performance excellence that began in the fall of 1919. The program boasts 14 ensembles including 7 wind bands, 5 jazz bands, and 3 athletic bands – the Blackhawk Marching Band and the Blackhawk Basketball Pep Bands. The band program at West High enrolls over 420 students and has been called a beacon of the district as it is an integral part of the Aurora community.

The Wind Symphony, the top ensemble at West High, features the finest wind and percussion performers. It has performed at the Illinois Music Educators Conference (2011 and 2000) and as a demonstration ensemble at the Midwest Band and Orchestra Clinic. The band has also been a regular participant in many concert band festivals including the University of Illinois SuperState Concert Band Festival (2019, 2016, 2014, 2013, 2010, 2009, and 2008, and 2002) and the Bands of America Concert Band Festival (2001). In addition to four annual concerts, the Wind Symphony performs for an elaborate Veteran's Day ceremony and a Winter Concert with the Choral Department.

The heart of the high school band program is the concert ensembles, and the WAHS program includes six additional ensembles – Wind Ensemble, Symphonic Winds, Symphonic Band, Concert Band, and two Freshman Bands. Each school day features seven periods of concert ensemble instruction.

The Blackhawk Marching Band is an extracurricular ensemble and is a mainstay at many town festivals and parades such as the Marengo Settlers' Days, Sycamore Pumpkin Festival, Grundy County Corn Festival, Dwight Harvest Days, and local parades for Memorial Day and the Fourth of July in Aurora. Our non-competitive marching band performs for all home football games and prides itself on being a spirited ensemble that supports its school and community. The band has performed at the Walt Disney Magic Music Days in Orlando (2014, 2010, 2006, 2002), the National Independence Day Parade in Washington, DC (2012, 2005, and 2000), and the Indianapolis 500 Parade (2017, 2001) among many others. The Department also includes a basketball band that performs at all boys' home basketball games, select girls' basketball games, and pep rallies.

The Jazz Program at West High has been highly visible and greatly successful for a long period of time. The Jazz Ensemble, the top jazz band, has been a regular at area jazz events including the Purdue University Jazz Festival and was the first high school band invited to perform at the Chicago Jazz Festival (2006). Our jazz program features four auditioned jazz bands that meet during the students' lunch period, with an additional band that meet before school at the conclusion of the marching band season in a "jazz for all" format.

The West Aurora High School Bands are supported by an outstanding Band Booster organization and are fortunate to have both building and central administration that recognize the value of instrumental music education as part of a comprehensive and enriching curriculum.

IV. STUDENT LEADERSHIP

The Student Leadership, a group consisting of Drum Majors, Section Leaders Rank Leaders, and Colorguard Captains, has been selected based upon exemplary skills in marching, musicianship, and leadership. These individuals are responsible for running sectionals, distributing music and drill charts/coordinate sheets, taking attendance, and assisting with any questions or problems that arise within their ranks. The student

leadership will also assist when the band travels by making sure their sections have all necessary equipment, assisting with loading and unloading of busses and the equipment truck, and being all-around swell people who know a whole heck of a lot about the Blackhawk Marching Band. These dedicated, experienced, and talented individuals will lead the rank-and-file of the Blackhawk Band. ***Please give them the necessary respect to provide a good working environment.*** No marching band can function at a high level without effective student leaders.

ALL student leadership candidates MUST maintain a "C" average on the most recent interim progress report or report card, complete an application showing interest in being selected for a student leadership position, have marched successfully for at least one season in the Blackhawk Marching Band, and have auditioned for placement in a WAHS concert ensemble for 2022-2023 (colorguard is the lone exception). The completion of an application does not ensure your selection for a student leadership position.

Drum Majors

Drum Majors are the student directors of the band and are the highest ranking officer on the band field and in the rehearsal hall. They assist the directors in teaching and correcting marching and music performance, student-related issues, and perform other responsibilities delegated by the band staff. When multiple drum majors are selected, they share responsibilities of conducting and of representing the band in official student capacities and will do so at the discretion of the staff. Newly selected Drum Majors are **REQUIRED** to attend a Drum Major Camp (Smith-Walbridge) and all events scheduled for the Blackhawk Marching Band. The band staff reserves the right to select any number of Drum Majors, including one, for any given season.

Section Leaders

Section Leaders are the “directors” of their section. They take attendance, conduct section rehearsals, and maintain discipline within the section. High levels of leadership, musicianship, and marching ability are needed when serving in these positions, although candidates will have differing skill sets. Section leaders should plan their rehearsals so that new music and difficult passages can be mastered. The section leader is appointed by the band staff after a review of all applications.

Colorguard Captains

The Colorguard Captains are in charge of their section and ensures everyone in the section has the equipment they need to be successful at any given moment. Captains may also assist in choreography for their section at the discretion of the Colorguard Coordinator. The Colorguard Captains are equal to section leaders and must keep discipline within their sections and take attendance. The newly selected Colorguard Captains must attend a leadership camp.

Cheer Performance Policy

Junior Varsity Cheer Performance Policy: At the conclusion of the sophomore football game, all JV cheerleaders are required to march the pregame show with the marching band in their cheer uniforms. At the conclusion of the pregame show, those members are required to change into their marching band uniforms for the duration of the night and become full members of the marching band. *Please review the attendance policy above.*

Varsity Cheer Performance Policy: All Varsity Cheer members must march both shows – pregame and halftime – in their cheer uniforms. They are also expected to perform in all off campus events in the designated marching uniform for that event. *Please review the attendance policy above.*

Rehearsal Department

A “spirit of cooperation” is the motto of our rehearsals. It is important to remember that we are all working toward ONE goal. You will not be forced to stand at attention for hours nor do we tolerate total anarchy. You will be treated as young adults as long as your actions reflect those of a productive music ensemble. In any indoor music rehearsal, no talking is allowed when the podium is occupied. Outside, you will always be given time to discuss drill maneuvers before moving on to more material. Our rules are simple:

1. **BE ON TIME:** Rehearsals and performances start at a specific time. As the old saying goes, “Early is on time...on time is late!”
2. **PAY ATTENTION & STAY FOCUSED:** Listen to student leaders and staff. They have only the best in mind for the group and do not like to repeat instructions and information. Please keep talking to a *bare minimum*.
3. **STAY IN POSITION:** After a drill maneuver is made, please stay in your position in order for corrections to be made. When we get to a set, please stay put.
4. **PLAY AND MARCH TO THE BEST OF YOUR ABILITY:** Give it everything you’ve got. You will only get back what you give.

In order to run an organized and efficient rehearsal, please follow the established hierarchy with any questions or problems that may arise:

You are responsible for the music issued to you. You must have all materials with you at every rehearsal, including a pencil. Only Band Staff will be issued drill charts. All members of the band will download the Ultimate Drill Book app to your phones to learn our pregame and halftime drill for the season. This powerful app contains coordinate sheets, drill charts, animations, and all necessary information for us to be as productive, efficient, and accurate in rehearsal and performance as possible.

VI. UNIFORMS, EQUIPMENT, AND MUSIC

Uniform Issue and Return

Uniforms will be fitted/issued during Preseason Camp in August. You are to report at your designated time for fitting. All wind and percussion players must have black Velocity marching shoes and solid black over-the-calf socks to wear with the uniform. Please treat your NEW uniform WITH RESPECT and as though it is your own. You will be responsible for any damage or excessive wear to your uniform.

When you are issued your uniform, you are to immediately place it the special uniform hanger and place it in the designated spot in your uniform locker. Please handle your uniform with care and pride. When we travel, your uniform must be inside the garment bag and your hat must be placed in your hatbox. No exceptions. Travel to local performances is often done in full uniform.

Uniform Care

Proper care of the Blackhawk Band uniform is YOUR responsibility. Uniforms are to be placed neatly on a hanger and hung up in your locker when not being worn. Each uniform part is identified with a number and you must keep track of all parts. Loss or damage of items will produce a fine for replacement. Marching band uniforms are a major investment for our district and we must get the most out of them.

The Band Booster Uniform Committee will dictate and complete all alterations to the uniform.

All uniforms were cleaned prior to issue. ***Please take pride in your appearance, as it is an important part of our overall performance.***

Proper Wearing of the Uniform

The way you wear your uniform says a lot about your sense of pride as a member of the Blackhawk Marching Band. We all wear the uniform the same way - that is why it is called a uniform. Average bands are sloppy; the Blackhawk Band is not. *Should your uniform no longer fit you properly, please notify one of the Directors.*

Trouser length will be at the top of the shoes and will remain constant. The uniform features bib pants that allow for easy length adjustments. Shoes are to be polished and laces must be clean.

When in public, you are to wear the uniform COMPLETELY! If your coat is on, it must be fastened and closed. All parts of the uniform must be worn. The complete uniform is to be worn throughout all performances unless the Director of the Blackhawk Band specifies otherwise. We will all take off our shakos and/or unzip or remove coats at the same time. Blackhawk Band t-shirts are worn underneath the uniform AT ALL TIMES in case coats are removed. Further, we do not sit on the ground in uniform and members must be check their seats prior to sitting.

Jewelry is not to be worn with the uniform. People with pierced ears are to wear posts (studs) only. Any neck jewelry that is visible when the uniform is fastened is not allowed. Rings are not to be worn while in uniform. Watches may be worn provided the uniform sleeve always hides them. No face painting is allowed. Sunglasses are not to be worn and there is no gum chewing while in uniform. The shako hat is to be worn down (two fingers width between the nose and brim) with the chinstrap down.

HAIR: Any member whose hair touches the top of the uniform collar must either wear it up under the hat or have it cut - no exceptions. Moustaches and beards must be trimmed and neat in appearance. Sideburns cannot go below an imaginary line from the bottom of the earlobe to the corner of the mouth. No unnatural hair color in uniform – NO exceptions.

Our Drum Majors and Section Leaders will conduct a uniform inspection prior to each performance. They have been given the responsibility and authority to make any member of their section alter their uniform if it is not being worn correctly.

As a uniformed member of the Blackhawk Marching Band, you represent our ensemble at all times. There is absolutely NO swearing, public displays of affection, or any other action that would reflect negatively on our ensemble and Department. Always conduct yourself with class, dignity, and professionalism.

3. White gloves (all winds)

3. All instruments must be stored properly in their case when not in use. Keep keys and valves well-oiled, slides greased and pads in good condition. Maintenance is your responsibility.

VII. GAMEDAY AND OTHER PERFORMANCE INFORMATION

Gameday Performances

The Blackhawk Marching Band will present three performances at every home football game. Each of these performances has a specific function:

Pregame Show

The Pregame Show is a performance given on the field prior to the start of each game. This traditional show is designed as a salute and tribute to both West Aurora High School and our country. The Pregame Show will remain the same for each home football game.

Halftime Show

The Halftime Show is our premiere performance at football games – designed as a showcase of the Blackhawk Marching Band. A typical halftime show will include three to four musical selections and will revolve around a central theme. Our shows are designed with the goal of how to best entertain our audience, mainly comprised of West High community members, football fans, and students.

Postgame Concert – The Fifth Quarter

At the conclusion of every game, the Blackhawk Marching Band will present a brief concert from our seats in the stadium. Each postgame concert will draw upon halftime music, school songs, and other selections. At the conclusion of this concert, announcements are given and members return to the building to neatly return their uniforms to their locker. All Blackhawk Band members stay for the entire game. Remember: We are always on-stage when in uniform!

Remember, from the warm-up period to dismissal following our postgame concert, the Blackhawk Marching Band is on-stage. Take pride in your organization by acting accordingly.

In The Stands

The seats for the Blackhawk Marching Band are the same as they have always been and we will make it a point to sit in our seats prior to the first game. Sections will sit together and the following is a list of general rules:

1. No visits by friends, relatives, etc. while in the stands. Our full attention should be placed on the game. Band members and invited guests (pre-approved by the director) are the only persons allowed in the band seating area during the game.
2. Everyone participates in playing/cheering from the stands. Support your Blackhawks!! You must have your stands music memorized. We are spirit leaders! Have fun and support the team by playing well, cheering hard, and giving the team the best possible support. **WE ARE THE SOUNDTRACK FOR THE GAME.** No other entity can have the impact we can have in creating atmosphere. We only play as a group and only play what is on the page. This is NOT the time to be on your phone.
3. Be aware of your surroundings. Students and other fans will be seated in close proximity to the band. Do NOT provoke any fights – keep your cool. Do NOT try to handle a potential security problem on your own. Contact staff or stadium security.
4. Trips to the restroom must be kept to a BARE minimum. Check with Section Leaders or Drum Majors prior to leaving. Trips should be kept to a maximum of five minutes. Water will be provided by Band Boosters. **NO FOOD OR OTHER DRINK IS ALLOWED.**
5. Please make every effort to get to your seat as soon as possible after the conclusion of our pregame and halftime shows. We want to be ready to play shortly after action begins.
6. Exit from our seats will be approximately five minutes prior to the end of the half. We will dress prior to exit – in other words, complete our uniform. Please stay out of the way of football players and officials prior to halftime. As soon as the half is over, move to your spot quickly and await the signal to enter the field.
7. Above all, remember that we are the largest and most visible support group in Blackhawk Stadium on gameday. Bring positive attention to the band by playing all of the stands music well, cheering hard and having a good time. No foul or abusive language is permitted. Football fans want to see high school students having a good time and doing their best to help their team win! **WE ARE THE SOUNDTRACK FOR THE GAME!**

Gameday Operations

1. The BMB performs at all home football games. Special instructions for each performance will be delivered in rehearsal.
2. Gameday will consist of the same series of events:
 - Pre-game warm-up music rehearsal at 5:30pm. in the Veteran's Fieldhouse. *Dress is: Red BMB t-shirt, non-bulky shorts, calf-high plain black socks, marching band shoes.*
 - At the end of rehearsal, members take instruments to appropriate storage areas and dress in full uniform. Keep a close eye on all uniform parts and remember your uniform numbers. You are responsible for lost or stolen parts.
 - Members report to Blue Fieldhouse at approximately 6:10 p.m. to stage for rehearsal with the Varsity Poms. Rehearsal with them takes approximately 10 minutes.
 - Optional (After rehearsal with Varsity Poms): **Section bonding time** – students can participate in section run games, cheers, or extra rehearsal on music. No running or horse play during this time.
 - After rehearsal, the drumline leaves the Blue Fieldhouse to perform the *ROLL ON, BLACKHAWKS* vamp as the Varsity Blackhawks enter the field. The drumline can then set up stadium stands in the seats (designated to the band).
 - Pregame starts immediately after teams clear the field and the clock reads 0:00.
 - **All Cheerleaders who are members of the BMB MUST march pregame and halftime.** See: *In The Stands section on previous page*
3. Rehearsal and Performance Hints
 - Eat a good meal before ALL rehearsals and performances.
 - Hydrate yourself before and after rehearsals and performances.
 - Stretch and warm-up musically before rehearsal and performances.
4. Emergency Medical Procedures: Medical forms will be collected from each member by band staff for the purposes of treating medical conditions during rehearsals and performances. This information is kept confidential.

Travel

Blackhawk Marching Band travel is done by school or charter bus. Departure time is very real – we will not wait for you, so be on time! Missing the bus for a performance is not an excused absence from the performance. Please do not request to travel to a performance on your own as it creates liability issues. If a trip requires you to miss classes, arrangements will be made with WAHS staff and administration. It is your responsibility to make up any missed work. Other details, including conduct, will be addressed prior to travel.

Student Accounts

The West Aurora High School Band Boosters offers an array of fundraisers each year to students in ALL phases of the Department of Bands to help offset the costs associated with ensemble travel. The profits generated by each student are automatically placed into an individual student account and a member of the Band Booster Board is charged with the responsibility of managing all individual student accounts. Unless specifically instructed not to do so, funds in Student Accounts will automatically be applied to each student's trip balance owed TEN DAYS in advance of each payment due date per the schedule provided for that trip.

Please note that Student Accounts balances can carry over from year to year while the student is enrolled at West. The account balance can also be transferred to a sibling participating in Marching Band or any other ensemble that may travel and require funds. Please know that balances cannot be paid out to students/families if they go unused. Unused balances not transferred to siblings will be donated to the Band Boosters. Questions should be directed to the Manager of Student Accounts on the Band Booster Board.

VIII. BLACKHAWK MARCHING BAND CODE OF CONDUCT

It is important to note that all rules and policies contained in the West Aurora High School Student Handbook and WAHS Bands Handbook apply to the Blackhawk Marching Band. As such, conduct by any member that is detrimental to the Blackhawk Marching Band, or is in violation of the policies of the ensemble, will result in removing the member in question from the band should band faculty deem it necessary.

STATEMENT OF PHILOSOPHY

West Aurora High School believes strongly in the value of extra-curricular activities. One of the most valuable outcomes is the mental, physical, and social development of the students who represent West Aurora High School through the participation in athletics and activities. Participation in the Blackhawk Marching Band is a privilege and exemplary behavior is emphasized throughout the program. It is important to have good representatives who engage in healthy behaviors. Therefore, the following Code of Conduct shall be enforced to assist in this effort.

APPLICATION

As members of the Blackhawk Marching Band, students accept the responsibility of serving as ambassadors of West Aurora High School and its community. Participation carries increased expectations beyond those applicable in the daily classroom situation. This Code of Conduct is considered to be in effect throughout the marching band season which may extend through multiple months.

- This Code shall apply to all students in the Blackhawk Marching Band.
- Violations are accumulated throughout a student's attendance at West Aurora High School.
- Students who violate the Code must serve penalties as outlined and/or complete prescribed programs outlined by the directors before re-entry into extra-curricular activities is granted.
- When suspended from an extra-curricular activity, students must nevertheless practice and follow all rules and regulations for the /activity.
- If a student is dismissed from the Blackhawk Marching Band or quits during the period of their suspension for a Code violation, the suspension for the Code violation will continue to the next marching season.
- Failure to sign the Code of Conduct does not exclude a student from being held accountable for the rules and regulations of this policy. This will be completed in the marching band online registration.

VIOLATIONS

Any of the following acts shall be a violation of this code:

1. Possession or use of tobacco products.
2. Possession or use of illegal drugs/supplements
3. Students shall not possess, actively seek, solicit, or be under the influence of tobacco, alcohol, other illegal drugs, look-alike drugs, or possess drug-related paraphernalia.
4. Students shall not attend or host a party primarily attended by students or for the benefit of students at which alcohol, tobacco or any controlled substances are provided or at which the use of any such substances is permitted.
5. Theft, possession of stolen property, or destruction of property
6. Hazing (*as defined by the student handbook of West Aurora High School*)
7. Criminal acts or serious acts determined by the marching band directors.

CONSEQUENCES

The following consequences are guidelines followed by the directors, Director of Activities, Assistant Principal for Student Services, or the Administration. Should such person or persons determine that the violation or violations committed are sufficiently serious to warrant such, any step may be omitted and any more serious consequence, up to and including permanent removal from athletics/activities, may be imposed.

First Offense:

The student shall lose eligibility for the next interscholastic/public event or performance and decisions will be made for future performances by the marching band directors. This penalty is reversible when the student

completes an approved assistance program such as a substance abuse prevention program, anger management, or other approved program or counseling. Approval must be given in advance by the marching band directors.

Second Offense:

The student shall lose eligibility for the remainder of the marching band season, beginning on the date the student was notified that he/she was in violation of the Code of Conduct.

Third Offense:

The student shall be permanently suspended from participation in athletics/activities for the remainder of his/her high school career.

FIRST OFFENSE VOLUNTARY ADMISSION CLAUSE

In the absence of verifiable evidence or before just cause suspicion of any violation, the student may voluntarily admit in writing the infraction to the marching band directors. Voluntary admissions are not acceptable in circumstances of a pending police report, however. The intent of the voluntary admission clause is to allow a student-athlete an opportunity to seek assistance for an ongoing problem. Participation will be uninterrupted when it can be verified that the student has enrolled in and is actively participating in a school recognized and approved substance abuse program. The student must complete the program. The voluntary admission clause can only be applied for a first violation and only once.

REVIEW PROCESS

If a marching band member has been found in violation of the Code of Conduct and a consequence has been imposed, the student may request the consequence be reviewed. Written notice must be given to the marching band directors within five days of notice that a violation occurred. The consequence will be reviewed by the marching band staff and Director of Activities. The decision of this panel will be final.

REINSTATEMENT

Any student who was removed or removed themselves from the Blackhawk Marching Band in one season may apply for reinstatement during any subsequent season. The request for reinstatement will be reviewed by marching band faculty and staff and a decision will be made in a timely manner. All decisions are final.

X. OUR MASCOT, SCHOOL SONGS, AND FIGHT SONGS

CHIEF BLACK HAWK - Chief Black Hawk has been the mascot of West High since 1936. While many Native American mascots have vanished from schools and sports teams across the country in recent years, West Aurora High School celebrates and honors Chief Black Hawk, who has been the school's mascot since 1905 when it was located on Blackhawk Street in Aurora. The class of 1958 commissioned a statue of Chief Black Hawk as a gift to the school and it now has a permanent home in our school's library. One of Chief Black Hawk's direct descendants, George Thurmond, spoke to the West Aurora community and described Chief Black Hawk "was a fierce warrior, strong leader, and a man who loved his people. He was also the first Native American to tell his story in an autobiography." The West Aurora High School Blackhawk Marching Band has an inspiring role model who provides motivation to perform at our best as we strive to represent our department, school, district, and community in the most professional way.

Roll-on, Blackhawks! (1940)

Composed and written by Sten G. Halfvarson (1915-2003)

Roll-on, you Blackhawks, roll,
Roll-on, you Blackhawks, roll.
There's a fight in that line,
That back field is fine,
So roll, Blackhawks, roll.
Wo, wo, wo, wo, wo, wo, wo, wo, wo, wo!
Fight on, Aurora fight,
West High will win tonight.
Wo, wo, wo, wo, wo, wo, wo, wo, wo, wo!
Let ring of victory cry,
and lift our banner high.
Roll-on, you Blackhawks, roll,
Roll-on, you Blackhawks, roll,
The Blue and Red
still wave overhead.
So roll, Blackhawks, roll.

West Aurora High School Alma Mater (1954)

Composed and written by Sten G. Halfvarson (1915-2003)

Red and Blue we'll love thee ever,
proudly do we share thy fame.
Loyalty we pledge forever
to our noble Blackhawk name.
Alma mater, Alma mater,
faithful Hearts we offer thee.
As we join to sing thy praises
now and thru all years to be.

Patriotic Medley (1976)

Arranged by Cliff Colnot

The Blackhawk Marching Band has been playing *Patriotic Medley* since 1976. *Patriotic Medley* was originally written for a half-time performance by Cliff Colnot, who is now Director of Orchestras and Conductor of the Wind Ensemble at DePaul University. The arrangement contains the tunes *When Johnny Comes Marching Home*, *Battle Hymn of the Republic*, and the final strain of the Sousa's *Stars & Stripes Forever*. Although now omitted, the original arrangement also contains Elton John's *Philadelphia Freedom*.

West Aurora High School Blackhawk Fanfare (2013)

Composed by Alan J. Greener (b. 1962)

The Blackhawk Fanfare was composed in the summer of 2013 by Alan J. Greener for the West Aurora Blackhawk Marching Band. It incorporates elements of *Roll On, Blackhawks* as well as the *West Aurora Alma Mater*. Additionally, the five-note WGN television and radio leitmotif can be heard near the end of the fanfare as a homage to West Aurora High School alumnus Tom Skilling. The fanfare is used to open the Blackhawk Band's pregame shows for Friday night football.
