The West Aurora Basketball Pep Bands have a reputation of being one of the best in the state. Please do your part to preserve and enhance our performance excellence! Please review this document and the schedule on the back. You must attend ALL scheduled dates for your assigned band in order to *earn* your pep band patch.

## Rules and Procedures:

- 1. Music:** Music is not taken home so it is critically important you attend the rehearsal on Monday, November 28 from 6:00-8:00pm to read and rehearse most of our book! You **MUST** be present at the rehearsal in order to participate in Basketball Pep Band. If you have an unavoidable conflict, please communicate your conflict with the band directors **prior** to the rehearsal for approval. *You must be present for the entirety of the rehearsal.*
- 2. Parking during games:** No Parking on Commonwealth Ave. or surrounding areas (parking around the new fieldhouse is **NOT** available).
- 3. Entry Procedures:** This will be the same as previous years. All band members should enter Door #16A by the auditorium and are admitted free of charge.
- 4. Security:** You must be in the gym during the game. Students may use the restroom on a very limited basis and must come immediately return to the band area.
- 6. Exit Procedures:** Please exit Door #16A and have your rides pick you up on Commonwealth. Rehearsal and games are approximately 3 hours and 15 minutes in duration. We ask that you call/text for rides shortly before the conclusion of the game.
- 7. Attendance:** *Basketball Pep Band members will need six events to earn a basketball band patch.* It is your responsibility to sign in at each

game in which you perform. The schedule on the back features six games for both the Red and Blue Bands. Both bands may use the other band's games to fulfill your requirement. However, if you miss one of your scheduled games, you **must** find a sub on your instrument for that game.
